Shamanic Dream Work

Learn how to interpret your dreams and use their messages as guidance?

**One day
workshop**

Sept. 18th, 2013

10 am to 5 pm

\$200.00 plus hst

Shamanic Dream Work

Active dreaming is a synthesis of modern dream work and ancient shamanic practices. It is a way of being fully in this world while maintaining contact with another world, the world-behind-the-world, where the deeper logic and purpose of your life is to be found.
